PLAINTIFFS' PROPOSED VOIR DIRE QUESTIONS

The plaintiffs request that this Court put the following question to the prospective jurors:

1. Do any of you feel it is unfair to permit lawsuits for money damages and if so would your feelings about lawsuits for money damages affect your ability to decide this case based only on the evidence at trial?

2. Do any of you think that there are too many lawsuits or that many lawsuits are frivolous and if so would this affect your ability to fairly decide this case based only on the evidence?

3. Would any of you tend to favor one side or the other in this case without regard to the evidence which may be presented?

Dated: November 9, 2006

Respectfully submitted,

THE PLAINTIFFS
